

Organising a Group Booking – Lunchtime

Thank you for considering Deano's for your group booking. Please find below some general information about how to confirm your booking and advice on what we recommend you order for large groups. There are lots of different options depending on what you want.

General Information

- We require a pre-selected menu for all parties of 8 or more.
- Please pre order from the menus emailed to you rather than the menus online, online menus are just samples to show the type of thing we offer.
- A discretionary 10% service charge is added to tables of 6 or more.
- Your booking time is your arrival time. Unfortunately, we cannot offer pre dinner drinks due to bar space constraints.
- As we only have a small service bar we only offer table service for drinks for large groups rather than individuals purchasing their own at the bar i.e all drinks will be presented on the final bill. If individuals want to pay for drinks separately we will just require a credit card to set up each individual tab and drinks will be brought to the table.

Deposits

- If your booking is for 8 or more people and falls on a weekend, you will be asked for a deposit of £10 per person to secure the booking.
- The deposit will either be deducted from the final bill on the evening or refunded back onto the card of the person who paid it. Please advise which you prefer when asking for the bill.
- You can pop into the restaurant to pay your deposit or we can accept payment over the phone via credit or debit card. Although there is usually someone on our premises from 2pm each day, Our opening hours are:

Monday: From 5.30

Tuesday: Closed

Wednesday: From 5.30

Thursday: From 5.30
Friday: From 5.30
Saturday: 12.00 – 2.00 / From 5.30
Sunday: 12.00 – 3.30

- We only accept cheques as a deposit if they are presented two weeks before the booking takes place. **Cheques should be made payable to 'MGG Developments Ltd'**

Menu Options for Groups

- (1) Order lots of dishes & everyone shares:

The dishes will just continuously arrive at the table in no particular order. As each dish is designed for 2 people to share, you need to order multiples of any dish that you think everyone will want to try – see main menu for our selection of grazing dishes.

- (2) Everyone orders their own individual dishes:

Everyone orders their own individual grazing dishes OR something from the grill or brunch menu. The dishes arrive quite structured in courses. I.e we make sure everyone gets a dish at the same time. **In order to do this, we need each person's name & what they have ordered. We provide place cards with each person's name & the dishes they have ordered.**

- (3) The Easy Option 😊:

Go for the Deano's Group sharing Menu. See below our recommended grazing menu for groups. The dishes arrive sharing style in courses & there is enough of every dish for each person. You are welcome to substitute any dish to anything found on the main menu if you think it will suit the group better. You can also substitute one of the courses for sharing dessert if you prefer. No need to contact everyone for an individual pre order 😊. If anyone has a special dietary requirement, please advise us and we'll make sure to bring an alternative for this person at each course. There is no need to change the group selection to accommodate special diets – an alternative will be provided for the individual.
